A slightly sweeter sauce with vinegar, molasses and brown sugar.

North Carolina Vinegar

Our traditional NC vinegar sauce with red pepper, & spices. Good with pork & turkey.

Hickory Smoked Meats

Texas Beef Brisket: The house specialty – smoked over 18 hours in our pits. Get it chopped or sliced.

Pork: Dry rubbed, and slow smoked.

Pulled Chicken: Soft, tender and juicy.

Smoked Corned Beef: You won't find corned beef like this anywhere. Ours has intense smokey flavor with a salty bite that is out of this world.

Smoked Sausage: Sliced 100% all beef.

Hand Carved Turkey Breast: Lean, tender and amazingly flavorful.

Ham: Delicious with a hint of smoked salt.

Our Ribs

B72 offers you three different "regional" styles of pork ribs!

Texas Spare Ribs: The original ribs we've been serving for almost 40 years. Hand rubbed with our proprietary rub – slow smoked for over 8 hours! Big, meaty and tasty with some bite. *Suggested sauce: Rockville Red*

Classic Baby Back: Pull off the bone tender, smoked, grilled then sauced up. *Suggested sauce: Original*

Memphis Dry Rub Baby Backs Smoked, grilled then covered with our proprietary "in house" killer spicy - sweet dry rub. *Suggested Sauce: Habañero*
